General

1. We note the changes to the bylaws made in response to receiving our comment letter dated August 26, 2021. Please revise the prospectus disclosure to indicate specifically and prominently (e.g., prospectus cover page) that the SPAC will not complete its initial business combination with a target that is headquartered in China (including Hong Kong and Macau) or conducts a majority of its business in China (including Hong Kong and Macau). Corresponding changes should be made throughout the prospectus wherever you discuss business opportunities, the political or economic landscape of specific geographic regions, and other appropriate sections.

We remind you that the company and its management are responsible for the accuracy
